SERVICE INFORMATION

BOOTH EQUIPMENT
Each 10'x10' booth will be set with 8’ high black back drape, 3’ high black side dividers, and a 7”x44” one-line identification sign.

Booths will comply with the International Association for Exhibition Management booth standards. All display materials including, but not limited to show cases, display and storage units, electrical fixtures wires, conduits, signs, etc. will not exceed a maximum booth height of 18 feet for island booths or 8 feet for inline booths.

Inline booth space usage: Display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8 feet is allowed only in the rear half of the booth space, with a 4-foot height restriction imposed on all materials in the remaining space forward to the aisle.

EXHIBIT HALL CARPET
The exhibit hall is not carpeted. IFMA Show Management requires each exhibitor to have carpet in their booth. The aisles will be carpeted in green.

DISCOUNT PRICE DEADLINE DATE
Order early to take advantage of advance order discount rates, place your order by September 14, 2015.

HELPFUL HINTS

SAVE MONEY
Order early to take advantage of advance order discount rates, place your order by September 14, 2015.

AVOID DELAY
Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS
Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC’s). Thank you for your cooperation.
